

Automatic Speech Recognition using Sphinx and HTK – Hands on workshop -- Accommodation Details

Important Note: No TA/DA is provided for the participants .

Note: Accommodation for out station participants only. Participants have to pay for the accommodation per day 100 to 150. Participants can come to Madras Institute of Technology campus, Chromepet and check with AU-KBC reception for the help. Since, the accommodation is problematic outside; participants have to adjust with available facilities. Hostel rooms are not connected with students and they have separate bathrooms and toilets. If participants want to stay outside, they themselves have to book.
